

Back Birmingham Bin Workers' strikes

Birmingham bin workers are on strike on Tuesday 19 February, Friday 22 February, Wednesday 27 February, Thursday 28 February, Monday 4 March, Friday 8 March, Tuesday 12 March, Wednesday 13 March, Thursday 21 March, Friday 22 March.

They are striking because during their 2017 dispute it was revealed that the council were making secret payments to workers who were not taking strike action. Unite has rightly described this as a form of 'blacklisting'.

We fully support their strikes and think that it's time that Birmingham council stops treating its workers like dirt.
